WHSAA SPIRIT CULMINATING EVENT

REGISTRATION FORM AND INFORMATION

DEADLINE for Entries – JANUARY 25, 2019

The All-Class Spirit Culminating Event will take place on Wednesday, March 6, 2019. Trophies will be awarded in each cheer category (stunt, game day, co-ed) and both dance categories (jazz, hip-hop). Schools may compete in one or more categories. The performance squad size for both cheer and dance is a maximum of 22 participants. Routines are limited to 2 minutes and 30 seconds.

In order to allow for proper planning, and to be able to order the appropriate number of trophies, we have established a January 25, 2019, deadline for you to select the categories in which your school will be competing. **There will be no late entries accepted after the deadline date.**

In working with your new Spirit Board of Directors and looking at our historical numbers, the State Spirit Culminating Event will have three classifications this year in Game Day. We will have one classification in Co-Ed, which will not have a classification indicated on the trophy, and we will remain with the two classifications in All Girl Cheer stunt and dance.

1. As long as there are at least six teams in each category, we will award three trophies for each classification.
2. If there are eight or more teams in a category, we will award four trophies.
3. Should there be less than six teams, we will reduce the number of trophies accordingly. We will not combine classifications unless there are four or fewer teams participating.

In order to have a co-ed stunt team, the males competing must have a minimum of 15 days of practice with the squad prior to the competition. Practices may only be counted after November 26, 2018.

All cheer and dance coaches must have passed the NFHS Rules Exam in order for your school to be able to compete in the state competition.

Each school must submit a copy of their copyright license for each performance in order to be able to participate.
