WHSAA SPIRIT CULMINATING EVENT

REGISTRATION FORM AND INFORMATION

DEADLINE for Entries – DECEMBER 16, 2024

The State Spirit Culminating Event will take place on Friday, January 24, 2025. Trophies will be awarded in each cheer category (stunt, game day, co-ed) and both dance categories (jazz, hip-hop). Schools may compete in one or more categories. The performance squad size for both cheer and dance is a maximum of 22 participants.

In order to allow for proper planning, and to be able to order the appropriate number of trophies, we have established a December 16, 2024, deadline for you to select the categories in which your school will be competing. **There will be no late entries accepted after the deadline date.**

We are anticipating having three classifications in Game Day. We will have one classification in Co-Ed, which will not have a classification indicated on the trophy, and we will remain with the two classifications in All Girl Cheer stunt and dance.

1. As long as there are at least six teams in each category, we will award three trophies for each classification.
2. If there are eight or more teams in a category, we will award four trophies.
3. Should there be less than six teams, we will reduce the number of trophies accordingly. We will not combine classifications unless there are four or fewer teams participating. **If we must combine a category, we will judge it the same as Co-Ed.**

To have a co-ed stunt team, the males competing must have a minimum of 15 days of practice with the squad prior to the competition. Practices may only be counted after November 20, 2024.

All cheer and dance coaches must have passed the NFHS Rules Exam for your school and view the Rules Video to be able to compete in the state competition.

Remember it is the responsibility of the cheer/dance coach to make sure that all copyright licenses are obtained in order to perform your routines at the state spirit competition.
