

**3-17-2021**

## **SOFTBALL CONSIDERATIONS**

Each school should develop a plan with their local health officials to successfully complete the season. Below are considerations to include in your plan.

### **Special Considerations for the use of the following equipment:**

- Softballs
- Ball Bags
- Bats
- Helmets
- Catcher's equipment
- Bases
- Individual Student Equipment / Personal Items
- Water Bottles
- Gloves are permissible for all players, coaches and officials.
- Each team is responsible for its own towels, hand sanitizer and med kit.

### **Special Considerations for the use of the following components of the facility:**

- Dugouts/Team Areas
- Scorer's Table
- Warm-Up Areas
- Weight Training Facilities
- Ticket Booths
- Entry/Exit Gates
- Concessions
- PA Systems
- Bleachers
- Bathrooms/Portable restrooms
- Locker Rooms
- Hydration stations

**Practices** – Screenings, face coverings and individual hygiene of all participants should be followed in accordance with WHSAA Smart Start Guidelines.

- Workouts/practices should be conducted in “pods” of participants with same players working out together to limit overall exposure.
- Practices should be limited to team members only. No outside groups or individuals should be used during practice. (This would include no alumni scrimmages)
- Detailed, timed practice plans should be utilized to assist in contact tracing should it be needed.
- Participants should maintain the recommended six feet of distancing between individuals when possible.
- Limit sharing of equipment (except softballs). If bats are shared, sanitizing should be utilized.

- All activities (including meetings) occur outdoors when possible.
- Face coverings are optional while participating but are **recommended** before and after practice for all athletes.
- Face coverings are always **recommended** for coaches during practice.

**Events** – WHSAA Smart Start Guidelines must be utilized for all events.

- Regular season contests will be individual contests only. Each level will be allowed 26 contests.
- Teams may have more than one contest in a day but must keep teams separated to meet social distancing guidelines.
- Each school may suit up as many players as they deem necessary during the regular season. No more than 18 players may be suited up for the State Tournament.
- Social distancing must be maintained while in the dugout. If there is not enough space in the dugout to social distance, players may be distanced outside the dugout and playing field.
- It is **recommended** a designated area be assigned for those participants that are not participating during the current contest.
- Social distancing from the opponent should always be maintained during the warm-up periods.
- No pre or post game handshakes will take place.
- Face coverings are optional while participating but are **recommended** before and after meets for all athletes.
- Face coverings are always **recommended** for coaches during meets.
- While in team camps, it is **recommended** that athletes utilize face coverings and maintain social distancing.
- It is **recommended** that all event workers utilize face coverings, and gloves when appropriate.
- There should be **no team dinners** during the season to assist in limiting exposures.
- No pre or post game gatherings should take place to assist in limiting exposure. (i.e. Tailgating, BBQ's, etc.)

**Post Season:**

- Per current State Health Orders and Directives, the State Meet will take place as scheduled.

## 2020-21 Softball Rule Considerations

In support of the Guidance for Opening Up High School Athletics and Activities, the NFHS Softball Rules Committee offers this document for state associations to consider whether any possible rules could be altered for the 2020-21 season. The considerations outlined in this document are meant to decrease potential exposure to respiratory droplets by encouraging social distancing, limiting participation in administrative tasks to essential personnel and allowing for appropriate protective equipment.

### 1. Softball Rule Considerations

**Face Shields (1-7-1, 1-8-4)** - Per guidance from the NFHS Sports Medicine Advisory Committee, plastic shields covering the entire face (**unless integrated into the face mask and attached to a helmet**) shall not be allowed during contests. Their use during practices increases the risk of unintended injury to the person wearing the shield or teammates.

**Additional Equipment (1-8):** Facial coverings must be of one color, not distracting, and no designs. Pitchers cannot wear optic yellow cloth facial coverings.

**Pregame Conference (2-14-2):** Limit attendees to one coach from each team plus the umpires. Coaches should stay outside the width of the batter's box at home plate, maintaining 6 feet of distance between each person.

**Substitutions: (3-3-3):** The verbal exchange should occur 6 feet from the coach to scorer and opposing team when making lineup changes.

**Coaching (3-5-1 NOTE):** Umpires do not handle equipment on the field during play. Contact with the game balls should be as limited as possible.

**Coaching (3-5-3, 3-6-14):** Coaches who wish to discuss a rule or a ruling on the field must maintain at least 6 feet of physical distance from the umpire.

**Coaching (3-5-2):** Base coaches must stay 6 feet from a runner at all times after suspension of play.

**Bench and Field Conduct (3-6-6):** Players are not permitted to leave the dugout area to congratulate players when scoring or after home runs. The number of individuals in the dugout is dependent on the size of dugout. Players and coaches must maintain 6 feet of social distance. NFHS rules allow for dugouts/designated warm up areas to be extended to provide for social distancing.

**Charged Conferences (3-7-1, 3-7-2, 3-7-3):** Coaches holding defensive conferences must stay on the home plate side of the pitcher's circle and the player or players must be on the opposite of the pitcher's circle maintaining the 6 feet distance. No more than 2 players plus the pitcher are allowed. Only one coach is permitted during the conference. If a coach visits the pitcher, all other players should stay outside the pitching circle.

**Exchange of Lineup Cards (4-2-1b):** Lineups should be handed to the umpire, and the umpire will verbally approve or ask any questions about the lineup. Recommended for lineup cards exchanged team to team and teams to scorekeeper to be shared via photo or text.

**Infractions By the Pitcher (6-2-2):** Prohibit licking of fingers and wiping them off. Pitchers are not allowed to put their hands to their mouths or blow into their hands prior to pitching the ball. This will be a "no pitch." Any umpire is permitted to make this call. The ball should be called dead immediately and it will be a "no pitch." Ball goes to the dugout for sanitizing, pitcher sanitizes hands before play continues.

**Plate Umpire (10-2-1):** Plate umpire should stand deeper than normal to call balls and strikes.

**Equipment and Apparel (10-4-2):** Cloth facial coverings are recommended but not required. Must be of one color and not distracting and no designs. Umpire may wear disposable glove and masks.

## **2. Softball Umpires Manual Modifications**

### **Mechanics Sections 3, 4b and c**

Base umpires should maintain 6 feet from any player as a starting position when rotated and/or counter rotated.

### **Section 2E**

Keep the catcher and batter at a 6-foot distance when dusting off the plate.
