

"Control the Controllable"

It is hard to believe that we have reached the end of a fabulous regular season! THANK YOU doesn't even begin to express the gratitude for all of your hard work, time, travel, and dedication to make this such a successful season! We are fortunate to have over 250 volleyball officials registered with the WHSAA. You are the unsung heroes of every match who help to foster fair play, sportsmanship, and integrity within each contest. Without your unwavering dedication to our student/athletes we would never be able to cover all of the matches for grades 6-12 across the state. Your continual support and mentorship are what help us to grow into such a cohesive volleyball community. What makes volleyball so unique across our state is the amazing support of our volleyball coaches and communities towards our officials. We cannot thank them enough for the success of our season. Our entire volleyball officiating "family" wishes every school and coaching staff good luck at the upcoming regional tournaments!

[Congratulations](#) to all of the post-season officials, and to those officials who are assisting as lines people. It takes an entire crew to make these tournaments a success! Remember that when you registered you could receive an electronic culminating events pass. You are also able to watch the NFHS streaming service for free. If you need assistance with either of these WHSAA official's benefits, please contact the WHSAA office. Hopefully you are able to attend either a regional or the state tournament.

Thanks again for ALL you do--"It Takes a Village"--you are the difference!

Kathy Hamer-Smith
