

We have worked with Home Depot, and they are happy to have busses park in their parking lot (South of their Garden Center and marked on the map below). Our priority is to try to have parking spaces available for the spectators, especially for people who are unable to move as well – to be able to park around the designated spots at Little America.

Busses – if you will help by parking at Home Depot – it will free up a bunch of parking for spectators. Coaches can call or text when things are complete for drivers to come pick them up. Thanks for your help everyone in facilitating opportunities for spectators to park closer.

2025 WHSAA State Cross Country Meet

Bus Parking - at **Home Depot** – South of their garden center. (Once athletes are dropped off – please park here).

- Teams staying at Little America – Saturday morning, please move your bus to the **Home Depot** – South of their garden center.

Indicates Bus Parking

Indicates athlete drop off area ONLY
