WHSAA Rules of Play

The class 2A WHSAA State Golf meet shall consist of 36 holes of medal play- 18 holes on Friday and 18 Holes on Saturday. As per WHSAA Rule 7.868, in the case of a tie in the team event (1st, 2nd, 3rd or 4th), in case of a tie for first place in the individual standings, the tie will be broken by a sudden death playoff.

Team playoff procedures:

Playoff will begin on hole #1. Draw for tee box honors. Alternate between teams until all players have taken their drive. All five players from each team will play the hole with the best four scores (boys) or three scores (girls) used to break the tie. If a tie still exists, continue the next hole until the tie is broken.

Individual playoff procedure:

Playoff will begin on hole #1. Draw for tee box honors. In the event of a tie, players will continue until a winner is determined.

Coaches Supervising on course of Play:

As per WHSAA Rule 7.8.83, golf coaches are allowed to supervise on the golf course during play. This supervision and assignment are the responsibility of the Meet Director. There shall be a minimum of one adult monitor per hole at the State Meet. Coaches will not be allowed to play during the State Meet.

The USGA rules shall prevail in the State Golf Meet. Please refer to the 2025-2026 WHSAA Handbook, pages 49-51, for WHSAA Golf Rules and Regulations. Local rule sheets will be provided by the host site. Should weather become an issue, the WHSAA Commissioner or designee will work with the Tournament Director of the host site to evaluate options to complete the tournament. The proper action will depend on the circumstances in each case. Depending on the weather forecast, the tournament may be moved to the following week, or the practice round may be eliminated, and the tournament will start on Thursday, with Saturday being used as a backup in case the tournament could not be finished on the previous two days. Should this option be utilized, no one will be allowed to have a practice round. However, once the schools have all arrived at the site and the weather changes to where 36 holes cannot be completed, a minimum of 18 holes will determine the individual and team placing. If 27 holes can be completed, if each gender plays the same nine holes, the 27 holes total will be used.

7.8.76 SPECTATORS ON THE COURSE DURING TOURNAMENT PLAY

1. As spectators enter the tournament venue, they will be given a list of Wyoming High School golf "spectator guidelines" and be required to sign-in (indicating they understand the rules and risk). This will be done on all tournament days. Coaches are expected to share these guidelines with spectators and fans from their school.
2. No spectator carts are allowed on the course with the following exception: If a spectator has a disabling condition, they may rent a cart from the pro shop but will not be allowed to carry another spectator in that cart. Questions of disabling conditions and carts will be handled by the tournament director.
3. Spectators MUST remain in designated viewing areas, on the cart paths or at least 25 yards from all contestants always. Spectators are not allowed on the tee, fairway, or greens at any time.
4. Spectators are specifically instructed not to give any advice, rulings or have any contact with players. Any verbal and non-verbal contact could be construed as giving advice (Rule 8). Therefore, conversations with players in any form are not permitted. A two (2) stroke penalty may be assessed by the Rules Committee for violation.
5. Spectators must understand there is a risk of injury and assume that risk while they are on or near the golf course.
6. Cell phones must be set on silent and cannot be used to communicate with any player.
7. Coaches will be available to monitor and enforce spectator rules on assigned holes, as part of the tournament staff, determined by the meet director.
