WHSAA Rules of Play

The Class 3A WHSAA State Golf meet shall consist of 36 holes of medal play - 18 holes on Friday and 18 holes on Saturday. As per WHSAA Rule 7.868, in case of a tie in the team event (1st, 2nd, or 3rd), or in case of a tie for first place in the individual standings, the tie will be broken by a sudden-death playoff.

Team playoff procedures:

The playoff will begin on **hole #10**. Draw for tee box honors. Alternate between teams until all players have taken their drive. All five players from each team will play the hole, with the best four scores (for boys) or three scores (for girls) used to break the tie. If a tie still exists, continue on the next hole until the tie is broken.

Individual playoff procedure:

The playoff will begin on **hole #9**. Draw for tee box honors. In the event of a tie, players will play each subsequent hole progressively until a winner is determined.

Coaches supervising the course of play: As per WHSAA Rule 7.8.83, golf coaches are allowed to supervise on the golf course during play. This supervision and assignment is the responsibility of the Meet Director. There shall be a minimum of one adult monitor per hole at the State Meet. Coaches will not be allowed to play during the State Meet.

The USGA rules shall prevail in the State Golf Meet. Please refer to the 2024 WHSAA Handbook, pages 48-50, for WHSAA Golf Rules and Regulations. Local rule sheets will be provided by the host site.

Should weather become an issue, the WHSAA Commissioner or designee will work with the Tournament Director and/or golf pro of the host site to evaluate options to complete the tournament. The proper action will depend on the circumstances in each case. Depending on the weather forecast, the tournament may be moved to the following week or the practice round may be eliminated, and the tournament will start on Thursday, with Saturday being used as a backup in case the tournament cannot be finished on the previous two days. Should this option be utilized, no one will be allowed to have a practice round. However, once the schools have all arrived at the site and the weather changes to where 36 holes cannot be completed, a minimum of 18 holes will determine the individual and team placing. If 27 holes can be completed, as long as each gender plays the same nine holes, the 27-hole total will be used.

7.8.76 SPECTATORS ON THE COURSE DURING TOURNAMENT PLAY

1. As spectators enter the tournament venue, they will be given a list of Wyoming High School golf "spectator guidelines" and be required to sign in (indicating they understand the rules and risk). This will be done on all tournament days. Coaches are expected to share these guidelines with spectators and fans from their school.
2. No spectator carts will be allowed on the course.
3. Spectators MUST remain in designated viewing areas, on the cart paths, or at least 25 yards from all contestants at all times. Spectators are not allowed on the tee, fairway, or greens at any time.
4. Spectators are specifically instructed not to give any advice, rulings or have any contact with players. Any verbal and non-verbal contact could be construed as giving advice (Rule 8). Therefore, conversations with players in any form are not permitted. The Rules Committee may assess a two (2) stroke penalty for a violation.
5. Spectators must understand there is a risk of injury and assume that risk while they are on or near the golf course.
6. Cell phones must be set to silent and cannot be used to communicate with any player.
7. Coaches will be available to monitor and enforce spectator rules on assigned holes, as part of the tournament staff, determined by the meet director.

***If a spectator violates these WHSAA Guidelines, tournament staff will escort the spectator back to the clubhouse.**
