Re: SOFTBALL UMPIRES MECHANICS CLINIC – VENUE CHANGE

---

We will be having our first clinic on **Friday, March 15, 2024, at Cheyenne Junior League Fields (Corner of Del Range and Converse Avenue-Enter off of Converse)** in conjunction with their opening softball tournament. Instruction will start approximately 1 hour after the final game concludes. If the instruction must be moved inside, we will communicate that location at that time.

Mike Showalter will be our clinician.

This clinic, plus the closed book exam will be a requirement for all post season umpires beginning with the **2024** season. This means all post season softball umpires must be certified prior to the 2024 state tournament. This will be consistent with all other sports.

This clinic will be **FREE** of charge!
